## K-2 Games and Puzzles Club with Ms. Pollack

**Mondays                      Grades K, 1, & 2                      \$15 Fee**

In the Games and Puzzles Club, students will learn new games and build strategies while engaging in teamwork and cooperative learning and problem-solving activities.

## K-2 Playdoh Club with Mrs. Mangrum

**Mondays                      Grades K 1, & 2                      \$20 Fee**

In the Play-Doh Club, children can sculpt, mold, and shape colorful Play-Doh into amazing creations. They will get the chance to experiment with different textures, colors, and tools, unlocking their artistic potential. From building towering skyscrapers to crafting adorable creatures, the possibilities are endless! The fee includes their own set of Play-Doh to avoid shared germs, a bag to hold their Play-Doh, Air Dry Clay and paint so that they can create and preserve some of their artistic creations.

## **K-2 Art Club with Mrs. Griffiths**

**Tuesdays      Grades K, 1, & 2      \$25 Fee**

The K-2 Art Club will focus on individual creative exploration. Students will experiment using different materials and techniques including painting and air-dry clay. The goal is to allow students the ability to use their imagination to create beautiful and unique works of art.

## **K-2 Geography Club with Ms. Duve**

**Tuesdays      Grades K, 1, & 2      \$15 Fee**

Explore the wonderful world in Geography Club! Students will explore countries and cultures from all over the world. We will "travel" each week to a new destination to learn about the culture, customs, and more of each unique location! We will do crafts, videos and try foods from different parts of the world.

## **K-2 Bracelet Making Club with Ms. Duve & Ms. Pollack**

**Wednesdays      Grades K, 1, & 2      \$10 Fee**

In this club, students will learn how to make many types of bracelets. We will be exploring different materials and techniques when it comes to bracelet making!

## **K-2 Creativity Club with Ms. Percival**

**Wednesdays      Grades K, 1, & 2      \$10 Fee**

This club is for those who like to think outside the box and be creative! Each week, there will be a different theme to which we will let our creative juices flow. From art, to building, to writing, this club has no limitations to the mind.

## **K-2 Lego Club with Mrs. McKishnie & Ms. Mercier**

**Thursdays      Grades K, 1, & 2      \$20 Fee**

Become a master builder at the Lego Club! Join us to create amazing structures, learn new techniques, and have a blast building with friends. Let your imagination run wild as we explore the endless possibilities of Lego bricks together!

## **K-2 Chorus Club with Ms. Simkewicz**

**Thursdays      Grades K, 1, & 2      \$10 Fee**

In K-2 Chorus, students will be learning how to sing in a fun and engaging way. We will work on vocal exploration, finding our best singing voice, and singing songs in their vocal range. There will be musical games and movement. Throughout the year students will prepare to perform for an audience to showcase their hard work.

## **K-2 Tiny Tales Club with Mrs. Aviles**

**Fridays**

**Grades K, 1, & 2**

**\$10 Fee**

In this club we will explore a new theme each week. Students will listen to read aloud stories featuring this theme/topic and then create a craft. Students will also be able to check out additional books on this theme or topic outside of media center time!

## **K-2 Intro to Sports with Coach Soboll & Coach Andrea**

**Fridays (2:40pm – 3:10pm)**

**Grades K, 1, & 2**

**\$30 Fee**

In this club we will be learning different sports such as soccer, basketball, volleyball, baseball, etc. We will meet once a week. Please come with comfortable shoes to play, but no crocs or flip flops.

*\*Denotes competition club; description found under Competition Club*

## **Academic Success Club with Mrs. Rodriguez**

**Mondays**

**Grades 3, 4, & 5**

**No Fee**

A club dedicated to enhancing organizational skills, providing homework help, and fostering academic success among students. Through structured activities and support, members will develop effective study habits, time management skills, and strategies for academic achievement.

## **3-5 Chorus Club with Ms. Simkewicz**

**Tuesdays**

**Grades 3, 4, & 5**

**\$10 Fee**

Chorus Club is for 3rd-5th graders who want to sing and have fun. They will learn important ensemble and teamwork skills, along with proper vocal technique. We will learn songs and movements for performances.

## **1-3 Guided Drawing Club with Ms. Mercier**

**Tuesdays**

**Grades 1, 2, & 3**

**\$10 Fee**

Students will improve their drawing skills by following directions to create art pieces. They will use their creativity to personalize their creations using different art supplies such as markers, oil pastels, and watercolors.

## **3-4 Prodigy Math with Mrs. McLemore**

**Tuesdays**

**Grades 3 & 4**

**No Fee**

Prodigy Math offers a fun and engaging way for students to practice and improve their math skills through gameplay, personalized learning, and curriculum alignment. Prodigy turns math practice into a role-playing game where students create a wizard character and answer math questions to battle and progress.

## **3-4 Gimkit/Kahoot Club with Mrs. Foster**

**Wednesdays**

**Grades 3 & 4**

**No Fee**

Students will work through math and language arts questions through the online learning game platforms, Gimkit and Kahoot. There will be time for students to not only practice games, but to create their own as well! Learn and have fun online!

## **3-5 Film Critics Club with Ms. Soper**

**Wednesdays**

**Grades 3, 4, & 5**

**No Fee**

Students will vote on movies to watch as a club. After each viewing, students will create a movie review as though they are a film critic. Students will evaluate several components of the film including entertainment value, characters, plot, cinematography, and more. Reviews will be assembled into a review booklet.

### **3-5 Board Gaming Club with Mrs. Mangrum**

**Thursdays      Grades 3, 4, & 5      \$15 Fee**

Playing board games assists in practicing essential cognitive skills, such as decision-making, higher level strategic thinking, and problem solving. It also encourages students to develop vital social skills including persuasive language, supportive language, and politeness during general gaming discussions. This club is a platform for students with a common interest to come together to build relationships and have fun!

### **3-5 Crafting Club with Ms. Loffreda**

**Thursdays      Grades 3, 4, & 5      \$30 Fee**

Join us for a creative adventure where young artists can explore their imagination and craft unique projects. From friendship bracelets to personalized and unique knickknacks, students will have fun learning new techniques and expressing their creativity through hands-on activities.

### **3-6 Intermediate Basketball Club with Coach Andrea & Coach Soboll**

**Fridays (3:10pm – 3:50pm)      Grades 3, 4, 5, & 6      \$15 Fee**

Basketball Club is to educate and empower the students who love the sport! They will learn how to improve their dribbling, shooting, passing, and new abilities to further their knowledge of basketball.

### **1-3 Jr. Math Club with Mrs. McLemore & Ms. Percival**

**Fridays      Grades 1, 2, & 3      \$10 Fee**

Making math fun! We will explore math concepts, learn new skills, and apply our practices to fun, games, and crafts!

### **3-5 Embroidery Club with Mrs. McKishnie**

**Fridays      Grades 3, 4, & 5      \$10 Fee**

Join the Embroidery Club to learn how to sew beautiful designs onto fabric with friends. We meet to stitch, share techniques, and have fun together!

### **2-4 Artistic Expressions Club with Mrs. Deberardinis**

**Fridays      Grades 2, 3, & 4      \$30 Fee**

This club offers a unique blend of artistic expression through the ancient art of origami and the modern trend of rock painting. Participants will have the opportunity to explore their creativity and develop their fine motor skills through the intricate folds of origami and the vibrant colors of rock painting. **Grades 3, 4, & 5**

**No Fee**

A club dedicated to enhancing organizational skills, providing homework help, and fostering academic success among students. Through structured activities and support, members will develop effective study habits, time management skills, and strategies for academic achievement.

### **5-8 Journalism Club with Mr. Smith & Ms. Davis**

**Mondays AND Fridays**

**Grades 5, 6, 7, & 8**

**\$25 Fee**

Do you have school spirit? Do you like to write? Do you want to be on the morning announcements? We need you! The Journalism Club (formerly known as the Newspaper Club) is open to students in grades 5-8. Here you will learn the basics to journalism, design, and broadcast skills. As a result, the club will publish a school newspaper, record student podcasts, and produce weekly video announcements.

### **3-5 Chorus Club with Ms. Simkewicz**

**Tuesdays**

## **5-8 Journalism Club with Mr. Smith and Ms. Davis**

**Mondays AND Fridays**

**Grades 5, 6, 7, & 8**

**\$20 Fee**

Do you have school spirit? Do you like to write? Do you want to be on the morning announcements? We need you! The Journalism Club is open to students in grades 5-8. Here you will learn the basics of journalism, design, and broadcast skills. As a result, the club will publish a school newspaper, record student podcasts, and produce weekly video announcements.

## **6-8 Tabletop Gaming Club with Mr. Livingston**

**Mondays**

**Grades 6, 7, & 8**

**\$10 Fee**

Tabletop Gaming Club is a chance for students to engage in fun games, roleplaying as adventurers in a fun, safe fantasy-based game. Students will learn to play games like Magic the Gathering, Warhammer, and more!

## **6-8 Yearbook Club with Mrs. Jump and Mrs. Moore**

**Mondays**

**Grades 6, 7, & 8**

**No Fee**

Students will be responsible for creating pages, adding pictures, and interviewing students and teachers to add articles to the yearbook. Students will learn how to use Canva to create pages with backgrounds and photos to add to the yearbook software. If you are hardworking and enjoy scrap booking, then yearbook is the right club for you!

## **6-8 Comic Book/Manga Club with Mr. Engelmann**

**Tuesdays**

**Grades 6, 7, & 8**

**\$10 Fee**

If you love reading Comic Books, Graphic Novels, or Manga and are interested in participating in a group of people who enjoy it as much as you, then this is the perfect group for you! Students are encouraged to not only read and discuss but to create their own stories. If you want to be in a club that allows for unlimited creativity...this is the club for you!

## **5-8 Crocheting Club with Mrs. Liotta**

**Wednesdays**

**Grades 5, 6, 7, & 8**

**\$35 Fee**

Students will learn the basics of crocheting and practice the foundational skills. As the year progresses and skills build, we will follow a variety of patterns and make new things! The cost of the club will cover a starter kit and additional yard for the year

## **6-8 National Junior Honor Society with Mrs. Lown**

**Wednesdays**

**^Grades 6, 7, & 8**

**By invitation only**

^only open to students who were sent invitations via email.

The National Honor Society was established to recognize students in both public and non-public schools for their outstanding academic achievement and demonstrated personal responsibility, to provide meaningful service to the school and community, and to develop essential leadership skills in the students at elementary schools. All members are required to have a minimum GPA of 3.0 and be in good academic standing.

## **4-6 Ping Pong & Pickleball Club with Coach Soboll & Ms. Dawes**

**Wednesdays**

**Grades 4, 5, & 6**

**\$30 Fee**

Once per week we will be learning how to play ping pong and the basics of the game. A few beginners' things taught will be: How to serve, how to use for-hand, back-hand, ball spin, stands, spike, response, game point count, single and double player games, and some competitive games later in the year.

## **6-8 Bridge the Gap Math with Mrs. Rodriguez**

**Wednesdays**

**^Grades 6, 7, & 8**

**By invitation only**

This club focuses on reinforcing elemental mathematical concepts that are important to the student's academic success in Math class. Support in understanding homework assignments will be provided which will assist in preparing the students to succeed in their current Math class. The club focuses on minimizing the gaps between the instructional and grade level mathematics abilities of each individual student.

## **6-8 Advanced Art Club with Mrs. Griffiths**

**Thursdays**

**Grades 6, 7, & 8**

**\$25 Fee**

The grades 6-8 Art club will experiment using a range of drawing, painting, and crafting techniques to create individual and group art projects. Students will also be encouraged to participate in local and national art contests.

## **6-8 Volleyball Club with Coach Andrea**

**Thursdays**

**Grades 6, 7, & 8**

**\$20 Fee**

Volleyball Club provides an opportunity for students to learn and love the game of volleyball! Focus is on instruction and development of the fundamentals of volleyball: passing, setting, blocking, hitting, serving and defense, as well as team concepts through instruction and game play.

## **6-8 Dungeons and Dragons Club with Coach Frescoln**

**Fridays**

**Grades 6, 7, & 8**

**\$10 Fee**

DND Club is a tabletop board game where you go on epic adventures with your friends, fight monsters and level up your character. If that sounds fun, come join us in DND club!

## **3-6 Intermediate Basketball Club with Coach Andrea & Coach Soboll**

**Fridays (3:10pm – 3:50pm)**

**Grades 3, 4, 5, & 6**

**\$15 Fee**

Basketball Club is to educate and empower the students who love sport! They will learn how to improve their dribbling, shooting, passing, and new abilities to further their knowledge of basketball.

# Competition Clubs

## 6-8 Middle School Competition Math Team

**Coaches: Mrs. Kempe, Mrs. Lown, & Ms. Malca**

**Mondays AND Fridays**

**Grades 6, 7, & 8**

**\$30 Fee**

**This is a placement test-based competition club.** Instructors challenge students with exciting techniques and complex mathematics. This competitive team will aid in added enrichment throughout the school day for students who crave a greater understanding of higher order thinking and mathematical processes. Students will be prepared to compete in competitions throughout Central Florida including MathLeague, Math Olympiads, Mu Alpha Theta, AMC, and MATHCOUNTS. Students who are part of this rigorous team must attend practice twice a week and have extended practice once a week. Students must be part of the elective as well. Those who want to join the team but not the elective must have approval. Students who join should be prepared for math enrichment, teamwork development, and learning how to use problem-solving in new and challenging ways.

## 3-5 Elementary Competition Math Team

**Coaches: Mrs. McAra, Ms. Collins, and Mrs. Lown**

**Mondays AND Fridays**

**Grades 3, 4, & 5**

**\$30 Fee**

**This is a placement test-based competition club.** Students will learn above-level math concepts in a fun, collaborative environment. We meet twice a week and have extended practice once a week. Students are expected to complete weekly Khan Academy to help them learn math in the next grade level. We compete in competitions about once per month and students are required to complete at least a few of these competitions.

## 4-8 VEX IQ Robotics Competition Team

**Coaches: Mrs. Merrick & Mrs. Aviles**

**Tuesdays & Thursdays**

**Grades 4, 5, 6, 7, & 8**

**\$200 Fee**

Students in VEX club will meet during club time to build, design, code, and drive their own robots. Teams will be expected to meet on select Saturdays for half-day practices at school and all-day competitions at other schools. Students create an engineering journal to document their design and team meeting progress. At competitions, teams participate in judged interviews, competitive matches, driver skills challenges, and programming skills challenges. Students must be committed and cannot be enrolled in other SSCS competition clubs.

## **4-8 First Lego League Competition Team**

**Coaches: Mr. Karakas & Mrs. Jump**

**Tuesdays & Thursdays**

**Grades 4, 5, 6, 7, & 8**

**\$125 Fee**

Join us in the exciting world of robotics and innovation with our FIRST LEGO League Club! Geared towards young minds passionate about technology, engineering, and problem-solving, this club offers a dynamic platform for students in grades 4 to 8 to explore, design, and compete in the realm of robotics using LEGO Spike Prime kits.

Meeting Schedule: We gather three times a week to delve into the fascinating realm of robotics. Our meeting times are as follows: Tuesdays: 2:45 PM to 5:00 PM Thursdays: 2:45 PM to 5:00 PM Saturdays: 9:00 AM to 12:00 PM

Club Fee: A club fee of \$125 is required for participation, which covers materials, equipment, and competition expenses.

Application Process: Interested students are encouraged to apply, but applying doesn't guarantee selection. Selections will be made by our experienced coaches, ensuring a team of dedicated and enthusiastic members committed to collaborative learning and innovation.

We have limited spots available! Don't miss this incredible opportunity to dive into the world of robotics, expand your skills, and unleash your creativity. Join us in the FIRST LEGO League Club and let's build a future filled with innovation together!

## **6-8 Middle School Science Olympiad**

**Coaches: Mrs. Lataille & Mr. Barut**

**Mondays, Tuesdays, & Thursdays**

**Grades 6, 7, & 8**

**\$125 Fee**

Students who enjoy expanding their science knowledge and wish to learn more through exciting projects are welcome to join SSCS's Science Olympiad team. Science Olympiad is a rigorous cross-curricular & team-based, science competition that spans many scientific disciplines! Our mission is to create a passion for learning more about STEM by providing students the opportunity to explore the world of science, technology, engineering, and math with an emphasis on teamwork and a commitment to excellence. If you are interested in joining the Middle School Science Olympiad team, choose Science Olympiad and join the club!

Students are placed on teams based on the following three categories:

1. Prior Experience in Science Olympiad
2. Recommendations from prior teachers and coaches (academics, work completion, etc.)
3. Grade Point average must be maintained as a 3.0 quarterly
4. Student's ability to commit studying time based upon his/her events:
  - o Extended Club Time: 2:45-5:00 beginning September 3rd
  - o Monday Club (Earth Science Events & Building Events)
  - o Tuesday Club (Life Science Events & Building Events)
  - o Thursday Club (Physical Science & Building Events)
  - o Optional Saturday Studies: 9:00 -2:00 every other Saturday beginning September 7th

## **3-5 Elementary Science Olympiad**

**Coaches: Mr. Grece & Mrs. Powell**

**Tuesdays and Thursdays    Grades 3, 4, & 5    \$75 Fee**

Elementary Science Olympiad: GET READY FOR THE MOST EPIC SCIENCE QUEST EVER UNLEASHED! Calling all future geniuses and trailblazers! Are you ready to unleash your inner scientist and join the Elementary Science Olympiad Team with Mr. Grece and Mrs. Powell, your expert mentors, and guides? Imagine yourself in a world of mind-blowing experiments, where you'll be crafting groundbreaking innovations, solving jaw-dropping challenges, and going head-to-head with other schools in a battle of wits and science savvy! You'll be the mastermind behind the fastest balloon-powered car that zooms across the finish line, or the ingenious architect of a gravity-defying rollercoaster! This is not just a competition - it's a wild adventure in STEM! You'll build unforgettable bonds with fellow STEM enthusiasts, uncover the hidden secrets of the universe, and have a blast while learning. And who knows? You might just discover your hidden talent for coding, engineering, or even marine biology! The Elementary Science Olympiad 2024-2025 season awaits! Get ready to embark on a thrilling journey every Tuesday, Thursday, and eventually some Saturdays, where learning takes flight, and the boundaries of imagination are pushed to new heights! But don't wait too long - Sign up today and join the ranks of future STEM superstars alongside Mr. Grece, Mrs. Powell, and your new team of innovative investigators!

Students will:

- Develop critical thinking and problem-solving skills through engaging experiments and challenges.
- Deepen their understanding of scientific concepts in a fun and interactive environment.
- Work collaboratively with teammates to achieve common goals.
- Gain valuable competition experience that can benefit them in academics and extracurricular activities.

Logistics:

- Fee: \$75 (Covers competition fees, t-shirts, and supplies)
- Days of the week: Tuesdays and Thursdays (will be extended to 5pm when all event rules are finalized) Saturdays later in the season closer to the competitions.

## **3-5 Competitive Soccer Club**

**Coaches: Coach Soboll & Coach Andrea**

**Mondays    Grades 3, 4, & 5    \$30 Fee**

**THIS IS A TRYOUT BASED CLUB.** We will have tryouts at the beginning of the year and coaches will choose 24 players to play for this club. Students will learn the importance of teamwork and sportsmanship. We will have fun, play lots of soccer, and learn fundamental soccer skills. Students will learn how to control, kick, trap, pass, and dribble a soccer ball. Please come prepared with indoor soccer shoes or running shoes and your own water bottle. We will play a few competitive tournaments during the year, and we will play with XL soccer club in Orlando on the weekends (normally 7 games.) There may be additional fees for when we play with XL soccer. It is not mandatory to play with XL soccer club.

# 6-8 Competitive Basketball

Coach: Coach Frescoln

**Tuesdays and Thursday** (2:45pm-3:45pm)

**Grades 6, 7, & 8**

**\$20 Fee**

THIS IS A TRYOUT BASED CLUB. We will have tryouts at the beginning of the year and a roster will be announced. This is a competitive basketball club for players planning on trying out for the basketball team. Students who are new to basketball are encouraged to sign up for the Intermediate Basketball Club. This club will be one hour long, twice a week (Tuesday and Thursday). We will work on fundamental skills, but we will do a lot of scrimmaging, so it is essential that players possess the skills to at least be able to scrimmage from an early point in the year.

\*\*\*\*\*

## Tutoring Schedule

### ELEMENTARY

**Mrs. McKishnie's 2<sup>nd</sup> grade class – Mondays**

**Mrs. McLemore's 2<sup>nd</sup> grade class – Thursdays**

**Ms. Dawes' 3<sup>rd</sup> grade MATH Tutoring – Mondays**

**Mrs. Foster's 3<sup>rd</sup> grade ELA Tutoring – Thursdays**

**Mrs. Jump's 3<sup>rd</sup> grade class Tutoring – Wednesdays**

**Ms. Davis' 4<sup>th</sup> grade ELA Tutoring – Wednesdays**

**Ms. Loffreda's 4<sup>th</sup> grade MATH Tutoring - Fridays**

**Mrs. McAra's 4<sup>th</sup> grade Tutoring – Wednesdays**

**Mr. Smith's 5<sup>th</sup> grade ELA Tutoring – Tuesdays**

**Ms. Collins' 5<sup>th</sup> grade MATH Tutoring - Thursdays**

## **MIDDLE SCHOOL**

**Middle school ELA Tutoring with Mrs. Liotta – Tuesdays**

**Middle school ELA Tutoring with Ms. Soper – Tuesdays**

**Middle school MATH Tutoring with Ms. Malca – Thursdays**

**Middle school MATH Tutoring with Mrs. Kempe – Thursdays**

**Middle school SCIENCE Tutoring with Mr. Barut – Wednesdays**

**Middle school SCIENCE Tutoring with Mrs. Lataille – Fridays**

**Middle school SCIENCE Tutoring with Ms. Prado – Fridays**

## **Things to keep in mind when requesting clubs:**

**Before you begin, please make sure you've read the club descriptions found in the Club Guide!**

1. Students may be enrolled in more than one club, depending on availability. Please understand that most clubs are limited to 20-25 students maximum. If your child is not enrolled in one of their club choices, they will be placed on that club's waiting list. When space becomes available, we will contact parents and update schedules. **EVERY STUDENT THAT REQUESTS A CLUB WILL GET AT LEAST ONE CLUB.**
2. It is important that a separate form be filled out for each child. Please use the same email for each entry. This helps streamline the system for pushing out emails with club assignments.
3. If you submit a request for the same student more than once, the first one will be deleted. We will always assume an error was made if there are multiple entries and will therefore only use the most recent submission.
4. **All club requests are due by Thursday, August 1st, 2024, by midnight.** Clubs will begin on the FIRST DAY OF SCHOOL, Monday, August 12th. An email will be sent to families before the first day of school to let you know what club(s) your child has successfully been enrolled in. You may also be able to check club assignments at Meet the Teacher on Wednesday, August 7th, 2024.
5. Please email [evelyn.machiela@seminolescience.org](mailto:evelyn.machiela@seminolescience.org) with any questions regarding clubs!
